**\*\*\*ELECT\*\*\***  
**CAROLINE JEFFORDS**  
**STATE COMMITTEE MEMBER**  
**11<sup>TH</sup> DISTRICT GA GOP**

---

Like so many of you I was shocked at how our elections were handled last year. I served as a Fulton County recount monitor at the Georgia World Congress Center on November 14<sup>th</sup> and witness firsthand how even the most basic of protocols were not followed. Both the Presidential and Senate runoff races in Georgia left a lot of us questioning the transparency and security of our elections, and yet many questions remain unanswered. I have been a dedicated Republican all my life and felt compelled to get involved now to help ensure the preservation of our Republic, that so many have sacrificed to make possible. The time is now to make a difference for the 2022 elections and restore integrity throughout Georgia!

My name is Caroline Jeffords, and I am running for State Committee Member for the GA GOP 11<sup>th</sup> District as a representative from Fulton County and would be grateful for your support. I am committed to making Georgia better for our citizens and future generations to come. I am a Georgia native and graduate of the Georgia Institute of Technology where I received a Bachelor of Science degree in Business Management and a certificate in Marketing. I gained experience in the corporate world working for McKesson Corporation, first as a sales associate in the technology solutions business unit, then in IT project management implementation.

I have always had a passion for community service and was able to increase my voice and impact when I served as Miss Georgia USA 2004. Throughout that year, I had the honor to represent the state of Georgia as an ambassador and to help raise awareness for numerous causes at events throughout the state. Since then, I have had the opportunity to continue to volunteer and support various organizations across Georgia. Lastly, I was recently elected as Assistant Secretary for the Fulton County Republican Party and currently represent House District #40 as Chairman and Precinct #08A as Vice Chair.

I ask for your vote to elect me as State Committee Member for the 11<sup>th</sup> District GA GOP. I firmly believe in the conservative principles and values that make Georgia the great state that it is. Although I am new to the political environment, I have proven myself to be honest and goal oriented and embrace teamwork, thoughtful strategy, and hard work.
